To Whom It May Concern:

Vycor Medical Inc. manufactures its products to the highest standards. We are dedicated to meeting customer expectations by providing high quality products to the medical community.

In designing our disposable ViewSite Brain Access System, Vycor Medical Inc. had sterility testing performed through accelerated aging tests by an independent company to meet ASTM Standards.

The ViewSite Brain Access System (VBAS) of devices is guaranteed to be sterile from 18 months from date of sterilization.

Please feel free to contact me with any questions.

Sincerely,
